“ It was 2010, at Sierra's college graduation, and years since I had seen "mama Neer". But true to spirit, she remained the same - kind, welcoming, loving. She was then, always has been, and still is one of the most beautiful human beings I've been blessed to know. Mama Neer represented all that is good in humanity; I will miss her smile, her warm embrace, kind words, and of course her wonderful Christmas cookies! To my dear friend Merry, (Thomas, Sierra, and my godson, Eric), our thoughts, and prayers are with you, and to all that loved her. Rest in peace mama Neer. With love, The Acostas.

“ *Aunt Maggie, you will be missed. You are so dearly loved. I have such beautiful memories of taking trips with Grandpa and Grandma Charles and my mom to visit you and the family. You were such a firecracker and I loved that about you. May God bless your family during this difficult time. Rest in peace Aunt Maggie, you lived such a beautiful life.*

“You were my strength when I was weak, my voice when I couldn't speak, my eyes when I couldn't see, you saw the best there was in me, you lifted me up when I couldn't reach, gave me faith cuz you believed...I am everything I am because you loved me.”

*My momma was not only my hero but the strongest most kind hearted woman I have ever known. She always told us when we were having problems to just have faith and everything would be fine.*

*She was a fighter to the very end and ultimately left us "her way." The sadness my entire family feels right now is only made better because she is now at peace with my daddy and big brother.*

*We will always love you momma.....Rest in Peace*

“Aunt Maggie was a dynamo to me, like 10 times her size, full of stories anecdotes and wisdom, often started with the phrase "now, honey.....". She helped anyone and everyone and me at a time I needed guidance and unconditional love. She was good at that!  
And  
funny too. She taught so much by her example.  
I will miss her. Grateful for the time we spent. My deepest condolences to her children and grandchildren.  
Bless you Tía.
