

Maria Barrera

February 7, 2021

On February 7, 2021, Maria Barrera passed away at the age of 60. She was an accomplished woman and the mother of two sons.

Throughout her life, Maria Barrera worked hard for everything she had. She worked multiple jobs to pay her way through nursing school to become a residential nurse. While maintaining her career, she got married and raised two children even after her divorce. She loved the feeling of accomplishment and always sought to do more than she had to. Not satisfied with being a nurse and mother, she completed law school and spent some time as a legal consultant. She also spent some time as a real estate agent. Even as she dabbled in so many professions, she never wavered in her duties as a mother. Maria Barrera loved her children deeply and taught them that anything was possible through hard work.

Maria is survived by her two sons, Daniel and Alex Ross. She will be missed.
