“ My deepest condolences to a beautiful family and long time family friends. I know that your hearts are saddened right now but the hope that I hold on to is that the bible tells me that "absent from the body, present with the Lord Jesus." God is good all the time and all the time God is good.....Yes, even during this time of mourning. Let's celebrate your moms beautiful life and love she shared with you. In Jesus name..... One day at a time boys as you keep all the beautiful memories of your beautiful mom and dad.

*I remember when my parents (Maria & Raul Mendoza) would gather at "Nela & Maber's" house, along with Adan & Raquel Mercado and ALL children. When knowing that we were going the Bernal's home I would so love and looked forward to listening to my brother Mike Better and Nela's boys and Raquel's son Frankie play music together and just sit and watch everyone just enjoying each other's company and listening to the adults laugh and laugh all through the night and even up until the early morning. My mother would speak of the Garcia girls always and when they would dance at the Zaragoza and their childhood experiences.*

*Gracias Nela for always showing and sharing your home, family and love with my family.*
