“ With great sadness in my heart, our dear beloved Mrs.Callahan has gained her wings in heaven. She was an amazing teacher with children, and adult education for many years. Her service to the community was a passion she had for all !!! She was our great mentor, teacher , friend and like a second mother . She will be deeply missed , but the memories we shared will remain forever !! She always went beyond the call of duty to help her students and was a great example for us to follow !! I was so blessed to have been called her friend , she was a great blessing in my life for many years !!! Rest in heaven my beautiful friend ! Please share with any other students she had . I know, how much her students adored her and looked up to her.

“ *I taught with Maria in ESL but I taught 1st grade. We always went to the ESL workshops together. We retired from teaching the same year. She, Amy and I had our retirement party together. It was so much fun. I say I was retired a week before Maria talked me into teaching GED. We taught another 5 years together. I still can't believe she's gone. I'm so glad she made it to our last luncheon together as teachers. We all had a blast! We are all praying for Cassie and her family.
