“ Thank you for sharing such a wonderful woman! Miss Canchola made everyone feel so special and gave the very best hugs and prayers. Now it is our turn to continue to keep her spirit alive through hugs and prayers like she would. My condolences to a family, a community and a world who lost a great woman but has always known an angel. I will pray for comfort upon those who are hurting. God please continue to guide us and protect us in the palm of your hands. Amen
