“ I am Fred's sister, Josie Guerrero and my fond memories of Mrs. Carrasco was that she was always ready to greet you and continue a conversation on whatever she was discussing at the time, while including you and asking your opinion on the subject.
I think the most memorable memory I have of Mrs. Carrasco was when she and my brother would start discussing a certain subject and neither of them wanted to give in . My brother would eventually give in. Then she would say " I told you I was right."!!

With lots of love especially to my sister, Maria and my brother Fred.

“ Each time she visited she wanted to help me do something. She was not one to sit and watch tv.
