“ I will always be grateful to Lupita for her kindness, love and support during one of the most difficult and lonely times in my life. She was ready to care for anyone! Her witty spirit always lifted me up. She and Héctor carried me through when I had NO ONE. Su casa was casa to my children and I. My SINCERE condolences to Héctor and his children. May God grant you comfort through this loss. Lupita is looking over all of us from a different place now. Prayers, love and hugs to each of her children and loving husband.
