She is preceded in death by Her Parents Tomas and Maria Solorio, Her Brother Raymond, Her Sisters Guadalupe, Carmen, Eleanor, Mary and Esperanza.

Consuelo's Legacy - 27 Grandchildren, 63 Great Grandchildren, and 4 Great Great Grandchildren.

Consuelo retired from Christus Santa Rosa Hospital after 20 years of service and another 27 years at St Luke's Baptist Hospital, She then stayed home for 2 months and could not find Herself and decided to go back to work. We often

referred to Her as Cher, Because of Her 3 comeback tours!

Our Mother was a member of the Busy Bee Bunco Club for over 40 years and a member of the Union Fraternal Latinos Americanos Organization.

She was a die hard Dallas Cowboys and San Antonio Spurs Fan but would also cheer for other teams to support her children.

Our Mother was often asked how she raised these Loud and Crazy Children when She was such a soft spoken Women with a calm demeanor, But in reality Our Mother had a mischievous side unknown to many. She always enjoyed a good prank and loved to hear a good joke. Our appreciation for music came from her love of music from different genres. She often referred to the song "No Charge" by Shirley Caesar to remind us of all she did for us, just one of her many humorous ways.

On behalf of our family we would like to thank each and everyone of you for your prayers, love and support.

With love, Chelo's family.

“ I will always cherish the kind loving heart you had, you always opened your home to me! You were and will always be one of my favorite Tias! I will never forget what you did for me at my 15, most people won't know but you made it possible for my dad to be there by my side! I will cherish that forever! We will all be hurting with your passing but I know you are no longer suffering and your dancing in heaven with your parents and sisters, and all our other loved ones who have passed! I will never forget you my dear sweet Tia Chelo! Till we see each other again!
