“ *Ray and Family,
May you all share peace and fond memories. A mother's greatest desire is for her children to remember the good times, the parties, the conversations and her love for each of you. May God grant you her wishes. We never met Maria but certainly feel as if we knew her from all the fantastic pictures Ray shared with us. It is amazing how much she enjoyed life, spent time outside and remained so active. Ray, we know how much you loved her by how often you spoke of her with pride. Hopefully, we can all take a page from her life story and be much like her with her beautiful smile! That is our fondest memory of all the pictures...her smiling no matter what she was doing!*

*With fond memories,
