“ *I met Carmen when I first moved down here from Connecticut back in 2006. She was so nice to me. I started going to her shop and right away we became friends. I always compared her place to the movie Barbershop where all the girls would sit around and gossip and talk. She would always listen to my stories and woes with an open mind and give me good, sound advice. She was a good friend and a loving friend and I miss her very much. I know she is in eternal peace now with The Father and Our Lord Jesus.* ”

“ *Carmen could make you laugh! She was talented, smart, kind, and when she gave you advice you had better listen. I knew Carmen & Mary Alice since I was 17 years old. She adored Mary Alice (Lisa) & Johnny Mata ! I will always think of her when I look at my Fiesta Reef she made for me last year. Love to her children, Friends, Family & co-workers and Terri who she loved. Carmen, May you look down from Heaven & keep all of us in line! We will miss you !*
