“ Cherola,,my sister before me..what can I say..never thought I would say I miss you so soon..you were there for my boys, when I had to go to work,couldn't leave them with anyone but family..no pay..cause that's what family do.I always worried because you always slept so soundly..You had your trials, but you knew you could always call me and I would be there for you and Ruben and I will still be here for him and your girls. I was blessed to have spent these past 9 months with you at mom's house as was marianna, God works in mysterious ways,,I would have conversations with Ana on how you and Ruben and Marianna communicated,,and laught..yes..at times driving crazy,but actually loved it.You did things your way and nobody could tell you different..you were a strong woman, a loving wife and a wonderful mother and sister,,I will miss you forever!!!!
