“ *She was my best friend many years. We share many life events. We'd have therapy sessions to solve our problems & concerns. She opened thier home to us during a very difficult time. We would visit them daily & make dinner & watch tv. Shared years of laughter. I was thrilled beyond belief when we worked together side by side. Fun times. Maria was a sister to me. I will always keep her in my heart. Gomez family I love you all & our history together.*

“ *Luis and I worked together for many years before I ever actually met Maria. In our shared stories I learned that Maria was a strong woman who loved and protected her family. When we finally met we became fast friends. Maria could always make me laugh with her stories and I greatly admired her desire for the best life for her family and friends. She was generous, kind, funny and cared what happened to our country and her fellow countrymen and women. The world is a lonelier place without her but her dreams live on in her children. Bless you my dear sweet friend - I hope to meet again on the other side!!*

“ *I am so sorry for your loss. I worked with Maria and always enjoyed talking with her. We use to talk about our families & she told me about going to take care of her Mom. I use to tell her about my 93 year old Dad & how he was doing. She was such a nice lady & had a Heart of Gold. I will miss our talks & seeing her smiling face. Thank you Maria for always listening to me as well. Rest in Peace. My Heart is with You and Your Family.*

“ *My favorite memory was your wedding day. I remember your smile and how beautiful you were that day.
My second best memory was when we went to Canyon Lake you taught me how to make an Easter bunny cake.
And I will never forget you being by my side when I needed you most. The sound of your voice, your laughter, and your golden .
You may be gone from this world but you will never be forgotten.
Forever in my heart my beautiful cousin.*
