“ *Ilda and grow up together. My dad and her mom were brother and sister. Even though we drifted apart when we got older, every time we would meet we would spend hours catching up. i remember one time we bump into each other a the Wal Mart in Uvalde. She was with her two daughter and her two granddaughters. we started talking and talking. We finally had to stopped because the girls were getting in impatience. Last time we talk was at the hospital when she was volunteering . We promise to get together but we never did. she will always be in my prayers. Ilda until we meet again.*

“ My Aunt Ilda was a second mother to me while growing up. Being her only niece, she told me I was like daughter to her. She was there for every milestone in my life and she was a major influence as well as being a strong, woman role model in my life. Her love, guidance and support has shaped me into the educator that I am today. I will never forget our talks and laughter and all the memories we shared.

I know that you are happily looking down upon us from Heaven as our Guardian Angel! Love you and Miss You Dearly!

“ *Ilda and I met as teachers working in the language arts department. Through almost 2 decades we remained friends, but, the fondest and most cherished memory was an afternoon lunch at Olive Garden. We both agreed that no matter how long we didn't see or speak to each other, it would never affect our friendship! She will always be that to me: a very special friend! Rest in peace, Ilda.*
