“ Mom was always so prim and proper. She used to sew most of her own clothes and some for me and my sister Rachel. Mom loved to dance, that is were I get my love to dance. She worked all her life and enjoyed life to the fullest. She had a great sense of humor. She was never afraid to tell us how she felt about us and decisions we made in our lives. She was a great mom. I know she is happy because dad is with her now. I love and miss you Mom❤️

“ The Zavala Family were our neighbors in San Antonio. In our close-knit neighborhood, we were like family and they were always welcomed in the Gutierrez household.

Alma stood out with her womanly figure when she walked to ride the bus. No Uber in those days!

I, along with Isabel, my twin sister, were friends with Yolanda and Mary Helen but knew that Alma was the role model of the family.

My sympathy and prayers are with the family in this time of grief. May God bless you always.
