Maria Guadalupe Herrera - Lupe

On October 18th, 2024, at the age of 69, Maria Guadalupe Herrera was reunited with her beloved husband, Daniel C Herrera, her son, Daniel C Herrera Jr, and her first daughter Maria Guadalupe Herrera, well known as Missy.

Maria was born in San Antonio, Texas on November 06, 1954. Maria was a wife for 45 years, an amazing mother, a loving grandmother and a great grandmother. Maria was a very crafty, friendly, caring, funny and spontaneous woman. She loved to decorate for the holidays, dress up and put her makeup on and she enjoyed dancing with her family and friends. She was always wanting to help people without asking for anything in return. She was a caring woman that loved her family so much and always wanted the family to come together. Although Maria lived a happy life with her loved ones, she was struggling with Addison's Disease, Renal Failure, Diabetes, early stage Dementia, and heart problems. Even though her health was taking a toll on her, she made sure everyone else was happy and healthy.

Maria leaves behind her beloved daughter Darlene Negrete, her grandchildren, Jaime Negrete, Jazmin Negrete, Jozlin Negrete, Javier Negrete, and her great grandchild, Charley Fernandez. She will also leave behind her honorary granddaughters Kyla Postert and Sarah Garcia and grandson Carlos Fernandez. Also surviving Maria are her siblings, Angel Villasana with his lovely wife Rosanne Villasana, Guillermo Villasana JR, her

sister Maria Elena Jimenez, along with numerous nieces and nephews. Always in our hearts, but never forgotten. We will love and miss you always. Services will be held on Wednesday, November 06, 2024 with the viewing at Brookehill Funeral Home 711 SE Military Dr from 5:00pm - 8:00pm.
