“ *Kevin, Timothy (Timmy), and Melissa (Melly} my heart is very heavy and sadden at the loss of my friend Maria. When I heard the news I could not believe it. I just saw her at Jamaal's last birthday dinner at Olive Garden. My memory is when we were neighbors at Cross Creek and helping her take care of Melissa. we say each other every day and we talked all the time. When we moved she was right over there helping us pack. We celebrated together when Melly recovered. I am going to miss her so much but the memories will always be there. Im just sorry that we had lost touched in the last year but she has always remained in my thoughts and prayers. May she rest in peace and may God surround you all with peace and comfort during this time. Love you all Herb, Kim and Jamaal Henley.*

“ I loved Maria. She was a great friend and coworker. She loved working at Notre Dame and would still be there if she hadn't gotten ill. Her family and her faith were most important to her. Through the struggles she was always up beat and her faith was on display for all to see. If I had a problem, she would always say “just pray, trust in God and you will get through it”. This is the way Maria led her life and I was so fortunate to be a small part of it. You are greatly missed Maria. Thank you for all the joy and fun we had together at Notre Dame.

“ I worked with Maria, enjoying many laughs and tears over the years. When she left us in Account's Payable due to her illness an emptiness filled the department. So many memories cherished. Maria was fun and she was strong in her faith. She was the "rock" when it came to family. She was an inspiration to all who new her. I will miss you; however your love will continue always.

“ Maria loved the staff and Sisters of the Holy Cross. She was a dedicated volunteer who quickly became their friend. She loved her weekly visits doing crafts and games and sitting outside by the fountain with them in the summer. She was a volunteer and friend who truly gave from her heart. Last time that I saw Maria was at Tim's wedding and she was just beautiful and so happy. That's the memory that will stay with me. Beautiful inside and out.
Respectfully and Lovingly,
