“ What can one say in a few words about Tia Maria she was funny, creative and very talented. A few months back she gave me a clipping of her rose bush I still had it in the tin can she had given me. A week after she went home to God the it bloomed a beautiful pink rose, I know Tia had something to do with this she always loved her gardened. I learned very much from her especially during her short illness her faith in God. I remember a few day before she died she was suffering when she said to me " Dios Mi Ayudar", and God was there with her. Love you Tia Maria and I miss you, Yolanda Casias

“ I have so many good, funny memories of my Tia Maria especially after she came to live with us in our home. She loved to eat and was always asking " is it time to eat again, 1 time I served her a bowl of soup Caldo, she started to eat then got upset because she said I did not know how to make Menudo that this was the worst Menudo she had ever eaten. I told her it was Caldo not Menudo she was so Funny and was positive that she had been served Menudo. Another time she told the nurse that she liked everything we served her but that she knew that I was hiding the sweets from her and would get up at night and search the sweets. She always had us laughing she is greatly missed and loved. Linda

“ On Sept 26, 2021, Sunday morning I played and prayed the Divine Mercy Chaplet for my Great Aunt Maria before she died. Her and I spent time alone at our house I will always keep the memory in my heart forever of her. A few years ago we went to Corpus Christi her and I sat in the water together we had fun. I love her very much and miss her with all my heart, Patty.
