

Maria Dolores Mancha

February 7, 1940 - August 22, 2024

Maria Dolores Mancha was born on 2/7/1940 in Mexico. Dolores met and married Gilberto Guadalupe Mancha on December 26, 1958 in Reynosa, Mexico. They lived and started their family in the Rio Grande Valley. They had Patricia in 1960 followed by Gilbert Jr. in 1962.

They relocated their young family to San Antonio and had Nancy in 1963 followed by Elizabeth in 1965. Dolores and Gilberto also had Erica and Esther in 1979.

They built a strong faith and church family in the early 1970's at South Flores Free Methodist Church.

Dolores mostly stayed home to take care of her 6 children. There was never a day we didn't have a hot meal or clean clothes to wear. She did all this before we had a washing machine or microwave...and before to go restaurants existed.

Her husband, Gilberto, passed away in 1997. Dolores did not have time to shed tears. She had to switch into survivor mode. Her faith in Christ grew even stronger, and she became the bones for her children and grandchildren. Her grandchildren were a huge blessing for her and kept her strong. She showered them with all her love.

We will remember Dolores as a strong mother, grandmother, Tia and sister in Christ. Love you always Mama .
