“ Para la abuela helen, la abuela helen era una persona buena, cariñosa y dulce y pensar que se ha ido es desgarrador, pero ya era hora de que descanse, nos cuide y esté con nosotros sin importar a dónde vayamos en la vida. Estar siempre con nosotros, todos la amamos mucho y la extrañaremos.

To grandma helen, grandma helen was a good, caring and sweet person and to think that she is gone is heart breaking ,but it was time for her to rest and look over us and be with us no matter where we go in life she will always be with us ,we all loved her very much and we will miss her.

Rest In paradise grandma Helen

“mamacita, I love you mama. it's hard and it hurts mama not having you here. I miss you so much but it was time for you to go home and be with my sister Angelita. Te quiero mucho mamacita. thank you mama for never giving up on me and for all you taught me. i'm the man I am today because of God and you! you led me to the bible but not to read it but to meditate it, interpret it and to share it with others...and I have!

I will always remember your words of wisdom and that comforting feeling as I left your home every night. you never let me leave without a blessing and with these words:

"hijo, tu no mas aquerde estas palabras... Sin Cristo, no hay nada... Con Cristo hay todo, Siempre pon Cristo primero"

"en esta vida tu no puedes cambiar una persona...solamente Cristo +puede cambiar una persona"

"Estas palabras no son mias; son de Dios! Nunca olvides estas palabras"

mama, i will never forget these words...i hold them in my heart now and I'll continue to do so!

I know one day when Gods sends for me, you will be there waiting for me...with open arms...all my love, your son Vicente Martin Martinez

“ To Grandma Helen, Thank you for all the love you gave me and my little family. Every time we went to visit you always had a big smile on your face. You taught me, no matter what is going on in life, always pray and give thanks for what we have. I will forever cherish the long talks that you and I had. I will miss the amazing hugs you would give but above all I will miss the blessings you would give to us before walking out the door.. We will see you again one day but for now, please watch over me and my family. We love you!❤️

“ My condolences to my brothers Vincent and Mike who cared for her very much; and to my nieces and nephew.
She was in our family for many years; she was always there for us if we ever needed anything. We grew older, but still would visit with her. She loved music and when I'd go over, we'd listen to music, laugh and talk and had many good times together.
I will greatly miss you.

Your sister in law,
