“ Teresa, I waited a while to write this message for various reasons. So many memories. You and everyone spoiled the "baby". It was good knowing that I could talk to you and if it was something you couldn't understand because you had never been through it, you would try and never judge. I'm sorry that our dinner at the Olive Garden never took place. That was the weekend you were so tired you couldn't go on. The thing is that I thought we still had plenty of time. God willing we will meet again some day.
