“ *Mi abuelita chula we love you always and forever... I will cherish all the memories we shared.like watching novellas on your bed & eating snacks, me trying on every single piece of jewelry you had & you scolding me to put everything back . Hiding potatoes all over the house. Feeding your animals & laughing at your mean chickens chasing me all over the yard. Gardening with you out in the yard & picking fruit from all your trees. You always urged us to take as much as we wanted. Then felt sick from eating it all. You will be missed dearly and will always be in our hearts and souls ❤️ forever we love you granny*
XOXO
