Maria Luisa was a very loving mother and grandmother, and enjoyed seeing her great grandchildren. She loved being at the home her Esposo provided for her and their children. Having her surroundings was the most comfortable place to be. Mommy would say "Esta es mi casa y no me voy hasta el ultimo dia". And she would go on to say "De aqui nadie me saca". That was her wish and her wish was granted to the end. Mommy enjoyed watching TV, especially

Polo. She would say “Aprendo muchas cosas. Oh, she also enjoyed saying jokes (chistes), just don't get her upset. Everyone knew that. But, we loved her very much. Mommy, grandma, memo, Licha, bisabuela will always be with us. Because, we hold special memories in our hearts.

“ Mammy como te extraño. Siempre en mi Corazon y pesamientos. Me acuerdo cuando me hablabas " ya va comensar Caso Cerrado". O y las tortillas de maiz y boda con queso. Tu voz nunca se me va orvidar. Ya vas con papa y los de mas que te esperan con los brazos abrietos. Mi Corazon llora por ti pero se no hay nada mas bonito que estar con Dios en su casa. Te Amo!
