“ When our kids were young we became friends when we were neighbors. Mary treated the kids like they were her own. When our apartment building caught on fire she called to notify me. I’m so proud to have known her. Sending heart felt love, prayers and condolences for the family. 🤔

“ My sister my best friend. How I miss you so very much. My heart is broken, a piece of my heart is gone with you. My life is so empty without you. I’m sad for us that are left here missing you. I know you are in the presence of our Lord Jesus Christ because you loved Him so much. Until the day comes when we meet again, I will continue missing you and loving you so much. Your sister Margie Melendez
