

Maria Mullenax

May 4, 1924 - December 1, 2018

Our mother, Maria Mullenax, passed away on December 1, 2018 in San Antonio, Texas. She lived a full and loving life for 94 years. Mama was a strong and resourceful woman who worked from a young child until well into her 70's. She was born in Mexico but lived most of her life in San Antonio, working in retail, in factories, and as a seamstress. No job was too hard or too common for her if it meant she could support her husband through pharmacy school, and feed and clothe her children. She loved her shoes and her purses and was always stylish, turning a thrift store dress into a stunning outfit that made her husband proud to have her on his arm. She loved her husband, whom she married after a very short engagement; they were together for 61 years. Dad passed away on October 16th and Mom has decided to follow him. She left behind a legacy of faith. She directly or indirectly taught her three children, her grandchildren and her great grandchildren about the love of God and his faithfulness in our lives. Her children, Bruce (Carol), Joseph (Melissa) and Sandra (David) were provided the opportunity to see faith lived fully by her. Her life touched her grandchildren Melissa, Christopher, Chase, Anthony, Gilbert, Joe, Ryan, Zach and Matt and her great grandchildren, C.J., Jeremiah, Garrett, Aiden, Addy, Liam, Lucy, Lion, Augustus, and Rose. Her siblings, Carmen, Gladys and Sam survive her and miss her. Her older brother Joe, who she dearly loved, has gone before and awaits her. We will miss her, but we believe, because she taught us this, that we will be united again.
