“ My dear Aunt Elena you will be missed by so many people, you touched our hearts in so many ways, you were the one to hold everything together when things got rough. May you join your lovely daughter and son in the beautiful heavens that the lord has grace

“ To the Navarro Family,
Please know how very special Elena was to our own mother, "Rosita" from across the street. Your mother and ours would visit often, and Mama truly enjoyed her sweet neighbor. Now they visit together in Heaven.
Our prayers are wit
