“ My dearest Delia 05/14/2017

*Happy Mother's Day – You brought hope, joy and compassion to family and friends. Most of all your unconditional love to all of us. Delia, my good friend, business partner and soul mate: A special greeting to you on this day, remembering all Mother's! Your hope helped me to keep moving forward . Delia, what makes you special was your heart to give a lot always!*

*Below is a little poem for you! Author Unknown*

*“We are constantly looking back toward the shore, and when the shore gets a little too far away for comfort, we turn back. We need to be in our own comfort zone.*

*You like giving yourself the semblance of adventure... After all, you put on a bathing suit. You got in the boat. You put on the life preserver.”*

*But the reality is that you must have courage to turn AWAY from the familiar and TOWARDS the unfamiliar to go on an adventure.*

“ *Delia, my good friend, business partner and soul mate  
In your passing, we remember that what is death to the caterpillar is  
life to the butterfly. God our Father changes the caterpillar to a  
butterfly. Delia as a butterfly(angel) you will be with God our Father  
in Heaven. You will be missed by all; but your spirit is with us  
always.  
Amen*
