“ I have many memories of my Tia Licha . Memories of traveling together the Cardenas and the Padilla families to San Juan . Our many trips to abuelita Rosa house . It was always fun with all the laughter and listening in to all the chisme . Tia lucha talking 1000 words a minute . Having my mom and tia Licha together was like having 10 people talking . It was always loud when they both got together . Tia you will be missed so much . But I know that you are in a much better place with abuelita Rosa and tia Cheva having a great time .

“ Same memory: As a kid being bored in Mexico and then knowing that Tio Elisio and Tia Licha were coming through the gates. The party was about to begin!!! They were comedians and the life of any get together. Loved them.

“ *It is sad days for me waking up first thing in the morning and not seeing your mom sitting in her spot drinking her coffee and cemita. She was very special in my heart. She was strong, stubborn, loving, caring beautiful person . She will be missed and I'll miss her advice, and humorous comments that she would make. She was my rock.*
