IP

“ *Because of circumstances beyond her control, Maria was deprived of numerous opportunities and material items that all of us take for granted. Despite all these handicaps, Maria, somehow, did not let them hinder her ability to achieve, enjoy and share all with her family and friends. Without support from a partner, Maria raised the pride of her life; her daughter, Angelina. Her new mission in life become: caring and helping with the upbringing of her grand and great sons and daughters. The family was Maria's ultimate achievement.*

Maria went to the almighty knowing that she had accomplished all that was asked of her, without having the resources that most of us take for granted. She was a proud and sensitive wonderful human being that will be missed and remembered by all who she touched.

SHE IS MY WONDEFUL SISTER.
