“ My sweet, beautiful sister was lovingly known as Terri all her life. She was the kindest, most generous person who would welcome you and feed you, regardless of what time you showed up. She always had her hair, makeup and manicure done. She dressed beautifully and smelled great. In other words, she made me look like crap, starting with welcoming you with a smile- regardless of the time you showed up. Anyway, Looks like I have a lot to work on so people will say nice things about me when it's my time to exit. TERRI, you wrote “No Tears” on your pre-arrangement form, but that's one request I couldn't keep. I love you and I miss you so very much, it hurts. Rest In Peace , my sweet angel and put in a good word for me.  
Your nice sister, Tom, signing out.
