“ *Mama Rocha was always such a lady. Always well put together and such a sweet soul. I will forever treasure my memories of her as I escorted her into church for Sunday service. She will be greatly missed and fondly remembered.*

“ *Mrs. Rocha was a strong and sassy woman which I have to say I thought was cool. Mrs. Rocha had a nickname for me, she called me muñeca for years and honestly I don't know if that was a good or bad thing ...(always made me laugh) but guess it could've been worse.*

I know she was a woman of faith and she loved going to Macy's to shop...lol.

I also know she loved having dinner with her family and she liked to get out of the house even if she just went for the ride, she loved her flowers and liked to watch her game shows.

I know she loved all her children and I know she will be deeply missed.

My thoughts and prayers go out to the Rocha family, she will ALWAYS be with you all.
