“ I don't even know where to begin.. You have made a deep impact in my life that I will always deeply treasure.. We had many shared memories that I'll always be grateful for.. You are truly a blessing, your kindness, unconditional love, support, advice & ect.. Your legacy will live onto ALL our children & grandchildren.. We love you always mom, & we miss your laughter (& bluntness) tremendously... (The older kids also miss playing checkers with you, Izayik said " she always beat me".. The kids going to grandma's to watch the spurs game too. We love you always!

“ Dear Trevino Family,
Mrs. Mary was such a strong, high-spirited woman with sass and spunk. She welcomed everyone who met her. I would talk with her whenever I picked up or dropped off Gvanni. She was very special and she will be missed.
With fond memories,

“ When I think of Ms. Trevino I think of laughter, love, joy and humbleness. She loved her family very much. It was my honor to know her through her daughter Rachel. I can still hear her voice saying “Shut up Rachel” lol. May she rest in peace and in paradise with the Lord and her dear husband and daughter and all who have gone before her. I love you. 🙏❤️✝️

“ *Mamma Maria, I met her from Rachel her daughter. Her family taught me about the love and respect for one another. They all have caring and kind hearts filled with laughter and love. I remember making tamales for new year once. Which will always be a special moment for me.*

“ *She’s a beautiful woman and will always be thought of everyday of my life. I have so much respect and love for her. She did not need much in life and showed integrity and values through it all. She never quit on her family. A beautiful soul and a beautiful grandmother! I hope you and grandpa are with your baby daughter Tina, having a great time! you earned it. Your grandson was always thinking of you over seas. At times, I thought I would beat you to the next life over there. I know now there is a purpose for everyone in life. You and Grandpa showed me values that I still hold deeply to this day. I am grateful to carry on your name. Tell grandpa and Tina hello and I miss them deeply!*

Your grandson Aaron
