

Maria L. Valenzuela

March 14, 1963 - December 27, 2020

Maria Valenzuela, age 57, went to be with our Lord and Savior on December 27, 2020. She was born March 14, 1963 in San Antonio, Texas to Rosa and Edward Vargas.

Maria loved to love on people along with spending majority of her time at Church, spreading the word of her father God, praying and worshipping.

Her joy came when people would receive the Lord and Savior into their lives and would glow with happiness because she knew a new brother or sister was being welcomed into the kingdom of heaven.

"Let not your heart be troubled; ye believe in God, believe also in Me. In My Father's house are many mansions; if it were not so, I would have told you. I go to prepare a place for you. And if I go and prepare a place for you, I will come again and receive you unto Myself; that where I am, there ye may be also."

John 14:1-3

Maria is survived by her loving Daughter Chrissy Vargas; Sons Steven Valenzuela and Eddie Valenzuela; Grandchildren, Amadeus Jimenez, Kaitlyn Valenzuela, Gia Valenzuela, and Jayden Matthews; Brother Gilbert Ramos; Sisters Margie Roblez, Janie Ramirez, Angelica Dominguez, Rosa

Valenzuela, Herlinda Morales, and GuadaLupe Vargas; and many family members.

Family and friends are invited to attend the Celebration of her life on Friday, January 8, 2021 from 6:30 pm to 8:00 pm at the Miracle Center Church, 3751 Commercial Ave. Funeral Services will be held on Saturday, January 9, 2021 starting at 2:00 pm. “ My deepest condolences to all the family. Maria was such a great friend that I will always cherish and she will always have a special place in my heart. She was always there praying and spreading the love of God. I also want to thank God for giving me the opportunity to meet you Maria. You were always there for me through the great and toughest time. You always listen to me when I needed to vent and never judge. You had so much love to give everyone. I am glad that I was there for you and was able to tell you goodbye. I was devastated when I saw you in bed but you gave me so many words of wisdom. You were calm and in peace. I will always cherish the moment we prayed before I left. I will always remember when I left your room you raised your hands up and made them in a heart shape saying "I love you". Maria, I know you are happy with God all mighty and will always watch over us. Till we meet again my beloved friend. Love you always, Maricela Velazquez

“*Maria is the most amazing person I've ever been blessed enough to meet and enjoy. I long to be in her presence again. Father God is so good and perfect to give us His beautiful gift to our world. I can't articulate fully what she really means to me. Only our Father knows.*

Maria would always talk about being at Daddy's house and I know she's being comforted by our Lord Jesus Christ, our heavenly Bridegroom. I love her with all my heart and I know she is waiting to be resurrected in her glorified body when Jesus returns. God willing we will be reunited when that time comes. Since Jesus is alive she will be also. We were always waiting for Jesus. She has the privilege of being in His presence now.

Her life is a perfect testimony to the grace and mercy of God and what only He can do in and for us. By God's grace He brought us two together to share with each other anything concerning our Love Jesus and to sharpen each other and to help me grow in Him. She brought me through the doubt I struggled so much with. We knew it was because of hearing God's word. Our conversations were consumed mostly with talk concerning Jesus and our Father.

I loved seeing her, always happy, smiling, graceful, her glowing radiance filled with God's love, the sparkle in her eyes, and like a child, pure in her trust and love for her Daddy, completely devoted to Him. The most Spirit-filled Christian I've ever known. I still long to become anything close to what Jesus transformed her into. She stressed the importance of renewing our minds with the Word.

Romans 12:1-2

I beseech you therefore, brethren, by the mercies of God, that you present your bodies a living sacrifice, holy, acceptable to God, which is your reasonable service. And do not be conformed to this world, but be transformed by the renewing of your mind, that you may prove what is that good and acceptable and perfect will of God.

I would love to share all the scriptures we would memorize together

but there are too many. She loved receiving Daddy's Word every day. She was a prayer warrior, always praying and unashamed. Praying over me and everyone else. She truly loved everyone. I pray all that were blessed to have her in their life will repent and come to Christ before it's too late. She will be there reigning in the Kingdom of God here on this earth and I pray our Father will consider me worthy to share in that glory with her in the physical presence of Jesus.

2 Timothy 4:6-8

For I am already being poured out as a drink offering, and the time of my departure is at hand. I have fought the good fight, I have finished the race, I have kept the faith. Finally, there is laid up for me the crown of righteousness, which the Lord, the righteous Judge, will give to me on that Day, and not to me only but also to all who have loved His appearing.

She would be so happy and start laughing because she would always feel the powerful touch of the Holy Spirit. She loved it so much, she would hold on and cling to Him. One memory I have of her is when we were at the temporary billing building the year before last. She came to visit us for our Christmas luncheon. I was struggling with things and I missed her so much. She came and I was able to speak alone with her. She could see the trouble I was in so she took me to the restroom and she started to pray for me and I was crying. I remember her referencing scripture about being the apple of His eye. Then she just sang over me a Spanish song I didn't know but it didn't matter anyway and she wasn't ashamed or shy about it. She did it for me in her love for me and Jesus. My most cherished moment with her. Our Father knew what I was going through so he sent her to me that day when I needed it most. That's how good He is to us. He uses His people to be the hands and feet of Jesus. Only our Father knows and keeps all our other memories He blessed us to share with each other.

Bless our Holy Father

“ *Maria was a beautiful person and light in our office and lives. She cared for us, she prayed over us, remembered our birthdays and our struggles and not only was she constantly thinking of us but always remembered our children and families as well. She always had a smile on her face, a warm heart and reminded us that even in our lowest times the Lord was on our side. I'm not sure I've ever known anyone with such a true and unwavering faith. There will be a missing piece from our team but she will always live with us in spirit. Rest In Paradise Maria.*

“ My condolences to her family. Maria you are a very special soul. I believe you were placed in our mist to ensure everyone had the opportunity to received the plan of salvation In our conversations I learned many had accepted and if not at least a seed was planted that someone can cultivate. YOU are a shining example of a child of God, a Beautiful Christian Woman of God. Your love for our savior is an example we should all wish to follow I know I do. May you rest in the arms of your father. I know the angels rejoice with you today . If you could tell us now of the glorious things you see in heaven your smile would light up our world. I will treasure our special moments we shared speaking and sharing Gods blessing and Gods word . Rest in peace my sister in Christ. This is not good bye, simply Gods Speed

“ *Maria was the most loving, caring person I ever had the pleasure of meeting. I have so many special memories of her but 1 in particular that stands out is that right before we went home due to COVID, as if she knew, she went around offering all off us the plan of salvation, she wanted to make sure that we all had the opportunity to accept Christ as or Lord and Savior. She didn't push religion on us but by her example we knew how much she loved the Lord. I am saddened by her departure but happy that she is with the Lord and has eternal healing. She will forever be missed. Rest In Pease my dear friend.*
