“ I will remember Mary as being one of the nicest and kindest person you would ever want to meet. She always made you feel comfortable and in place with her smile and low toned voice. I was very lucky to know and to have Mary as a cousin. She will be missed by me and I am sure she will be missed by many others as well. But, rest assured that wherever she is, she has already made hundreds of friends with her personality. May you Rest in Peace Mary.
