“ *Grandma I miss you so much and I love you so much I wish I was here to see you in person before you left us but I was able to see you via FaceTime and was able to say goodbye to you when you blew me that kiss I knew what that meant. I know she is in a better place but I will always treasure all the memories we shared. she was like s mother to me and others she always had her door open to everyone and was always ready to feed anyone who walked through her door. She was a strong , funny, and brave person. She was a hard worker and a strong minded beautiful person. I can't believe she's gone but I know she is in heaven with everyone else who has left us. I will always miss you your forever in my heart. I just keep thinking about the fact that I can't talk or see you no more and it breaks my heart so much cause I'm used to taking to you even tho I was 100s of miles away I never stop asking or thinking of you. RIP my beautiful grandma I will see you again one day. Love you grandma!!*
