*For my dear sister in heaven, I always looked up to you and you did so much for me in my younger years. I could never express the love I have for you in words but I will miss you dearly. I cannot be there to send you off but I know you are in good hands with your family and Our Lord and Savior. Love to my family and extended family during this difficult time of losing someone so wonderful. Your loving brother, Carroll and your niece Carole Valdez*

“ Dear Marie,

*Thank you for ALL your LOVE for ALL of us at St. Catherine's Chapel and for ALL of us in the St. Margaret Mary Altar Society. My heart is heavy to know that I won't see you again. But I know God knows what he does and he called your name next. Knowing Jesus will be there to greet you at the entrance of the golden gates, gives me comfort to pray that you will rest in peace forever. You were our greeter at St. Catherine's Chapel and now its your turn to feel welcomed into the kingdom of God. Truly an amazing grace! Borrowing the key to St. Catherine's Chapel to go clean it up on rare occasions made my trip to your house a wonderful treat because you always gave me a bag of cheetos or some peanut butter with jelly crackers (those were the BEST). I will truly miss your smile, your loud voice, and your motherly support to all of us always at St. Catherine's. Every time I bake a pineapple upside down cake, I will feel your presence in my heart. I love you very very much. You meant the world to me.*

“ I have wonderful memories of you that I will always treasure! Growing up with Jeri, Joann and Mary were some of the best times in my life. Especially when I had you as my second Mama. Thank you for always taking such great care of me when I was at your house. I think I lived there more than my own house. I loved growing up with Jeri, Joann and Mary. I will always be grateful for that. Heaven surely gained another beautiful Angel. RIP Mrs. Horn. Love always, Linda~

“ I will miss Ms Horn she was a special lady and my mama's friend and neighbor for many many years. Ms Horn was there for my daddy when he would have his spells of asthma till his last breath. She was there for my mama and so was Jeri. Now they both are playing bingo together again. God bless Jeri and her sisters in their time of sadness. Ms Horn was there for me to cry when I lost my mama and then her home was sold. I will miss you Ms Horn may you be at peace.
