January 6, 1953 - July 26, 2011

Marie Louise Mead died Tuesday July 26, 2011 at the age of 58. Born to Patricia and Henry Denk on January 6, 1953. Marie had a long career in marketing beginning with McCann Erickson and finally as a senior vice-president with CNBC. One of Marie's proudest accomplishments was collaborating in the conception of MTV and Nickelodeon. Larry Stuebben for the care given to Marie.
