“ I think about you all the time Gammy. I have a picture of you and Papo hanging in my office as a reminder of your love us. I cant believe it's been 18 years since i've heard your voice. Time doesn't fly when you miss your grandma. I look at your photo and my momma looks just like you. Mom misses you terribly. Her heart will always be broken without you here. Please give my Papo a hug for me too. Please continue to watch over us. I love you Gammy!

“ Mom, I miss you more than you will ever know. The world seems to have changed since you left. Life just doesn't have the zest it had before without your warm light in it. Still can't believe you're gone. I love you Mom.
