“ Dear Squilla Family: What a special lady ... all who came in contact with Marie were blessed and walked away a better person. She referred to me as "Bro" and I called her "Sis" because of the many shared happenings. Yesterday's memorial service was beautiful and certainly apropos for a beautiful lady. God bless you all.... Much Love, Pat Wilson

“ Marie was a dynamic, loving, intelligent and witty lady. She shared all that she was with us and welcomed us into the arms of her family. We will miss her something fierce.

Our thoughts and prayers to her family. The world will be lessened by her loss.

“ *Marie Francis was a bright light in our lives...a blessing in so many ways!...we miss her & will always love her. She always called Ernie her "little brother" which made him smile every time! She always encouraged us to keep the Faith...we know we'll see her sweet face again.*

Our hearts are with the entire Squilla family during this time of deep loss...love & prayers always.

“ *I am heartbroken to hear this sad news. I loved your Mom and Dad very much. They opened their home to me when I was in the service and showed me what giving and loving someone was all about. Aunt Marie, as I called her was a beautiful person inside and out. I wish we had stayed in contact more over the years. I'll never forget her and your Dad. They have a special place in my heart, always. God bless, your with Uncle Dick now walking the streets of Glory. My sincere sympathy to all of you. Love, Richie Gavin.*

“ *Marie Frances is my mom's cousin. We lived in Texas for 7 years as I was growing up. I have many fond memories of holidays and dinners at her and Dick's home . She always had so many interesting stories about her years as a teacher, her life as a mom, her childhood in Scranton and her experiences traveling the world. After we moved back to Scranton, I continued to enjoy spending time with her and Uncle Dick during their summer visits. She will be sorely missed. 💔😭*
