“What a great blessing you had for 42 years. He was not only kind, a gentleman, always thinking of others, but he was also funny. I remember one Fiesta he asked to be in my family plan in order to be able to get great seats on Broadway for the Battle of Flowers parade. He will be missed, I am grateful he crossed my path. Rest in Peace. You will never be without him, he lives in your hearts.

“ *Mario Hernandez came to the Injury Compensation section at AFPC some time after I had been working there a while. I found Mario to be pleasant and always genuine in spirit. We frequently traded stories about our grandchildren and children. Although I only had on grandchild, Mario and his wife had had many more grandchildren. While it is very difficult during this time for family, friends and co-workers of Mario, we can celebrate the fact that Mario's kind demeanor, smile and positive attitude always made things seem better. Mario's gentleness and kind spirit will remain in our hearts forever.*

“ *Mario's little smile... it was little, but you felt that smile from across the room. He always made you feel welcomed and loved. He is a man to remember, with a soft heart and a quiet little voice. I have had the pleasure of being a part of this family for seven years now and they have been the best seven years of my life. Luz, Mario, and the Urdialez family have shown me what family is about and I will forever cherish all the little moments I have had with all of them, as a family.*

We love you, Mr. Hernandez, and you will be truly missed, but never forgotten. ~Kim & Jackie
