It's coming upon the 1 yr anniversary of his loss to us on January 27th & I've been very sad 😞 because our firstborn Missy died of the Covid-19, as well as Skip died Sept. 7th 2021. Two losses in one year has been devastating to me. God Bless Us All & Pray 🙏 FOR A CURE FOR THIS HORRIBLE ILLNESS ❤️❤️❤️

“ He loved ZZ Top. It was perfect when “the 50 years of blues rock” came to circuit of America’s in Austin. Great concert, first row, maybe 40’ from the beer and skip so happy it was PERFECT. One of the most perfect, perfect times we’ve shared

“ *Dear Skip,
Friend, neighbor, brother, and much more. We are broken by your passing. You were admired for your talent, creativity and hard work. You will continue to be admired and respected by those that appreciated you. Your legacy will live on in your grandchildren. We know you are sitting in a boat in that big ocean in the sky, casting out a fishing line and reeling them in. You will be missed and forever remembered.*

Love you, until we meet again, brother.
