Oh how I will Margie. She was like a sister to me. She lived all her children and grandchildren and her nieces and nephews. So sorry I could not be there because of this stinking virus. I will see you one day where we will have no pain or sickness I love you. Linda

“ *I am so sorry for your loss. I met Margie in 1980 and we became friends instantly. She was the sweetest, kindest and giving person I know, She and Jerry and I made some great memories that I will always remember. I was with her when she got her 1st tattoo since I was the one that talked her into getting one. She went with me for my other 3. I will miss her sooo much.*

My thoughts and prayers are with all of you. I know God will wrap his loving arms around you and be by your side as you go through your loss.

Love to all of you.
