“ *One classmate's reflections of a life well lived.*

Margie (Patterson) McCorvey (HHS Class of 1965) attended our 1964 50th Harlandale High School Reunion in 2014.

She was a junior when we were seniors in 1964.

I recall speaking with her at our 50th reunion back in 2014..

I was struck by her beauty as she seemed to have NOT aged the way many of us did over the 50 years.

Apparently, sometime after graduation, she was either in an accident or had her leg operated on as she walked with a limp.

Her deceased husband, James McCorvey, was also a Harlandale graduate, Class of 1963.

May she rest in peace.

“ *I have so many happy memories of Marjorie and the friendship we had as young adults. We helped each other with some of the challenges of being young married couples without much money, and then the challenges of being young parents. She could always make me laugh! I'll always remember you my friend, with a happy heart. ❤️*
