“ I met Mark through the Hunters Creek Wine Tasting Club and we became good friends. Throughout the years we did lunch with other neighborhood friends and would always enjoy a good laugh. As we became better acquainted Mark and a couple of other friends made the road trip back to my home beginnings on the Mayfield Ranch in Edwards county. Not sure Mark had been to a ranch like this before but we had a good time and later that evening we went to the local rodeo in Rocksprings my hometown. Mark always made the ride to and from fun and I feel good he considered me his friend. Leopoldo P. Cervantes
