“ *Mark, we shared 15 years our lives together, some good and some bad. I thank you for giving me the strength to be the strong woman I am today. I also want to thank you for being apart of your four kids (Destiny, Jonathan, Francine, & Donovan) lives as they miss you more than you'll ever know. I know that all have made you proud of their successes. I know you were happy in the end as we talked for hours on the phone. Anyhow, my only wish for you is, I pray to God to give your soul everlasting peace and embraces all the wonderful thing you did in life. I could go on, but I will end it by saying you will be deeply missed, my friend.*
