“ Mark, I just heard that you were no longer with us. Let me say that I will always remember as you were: a good friend, an outstanding athlete, a young man of good moral fortitude and a truly caring guy. I was blessed to be a small part of your life from '74-'76. I don't remember specifics, but apparently you and I had a ton of shenanigans, but good clean fun. I do remember the good times on the bus, the gymnasiums, the comradery of life on the road to sporting events, mainly our awesome football team of '75. I miss you, and wish I had the opportunity to meet up with you again on this journey, so I could tell you what an impact you had on my life.
