“ *Thank you to all who helped him so much over the years, especially Michael and Yolanda and family. Condolences to his nephew and nieces. Many thanks also to the many generous souls at the residence who did so much for him over the years. It was so evident by the amount of staff who came to the visitation and burial how loved he was. He loved us all back in his great way!*

*Love, David-n-Maribel*

“ Mike, thank you to you and the family for allowing us to be a part of Mark's life. My sincere condolences to you and the family. I truly feel blessed to have had the opportunity to not only care for Mark but to see him grow. His smile and mannerisms are just a few of the things that I will miss. Knowing him from the time he could walk, run, to now in a wheelchair made it that more special. Again, thank you to you and the family for sharing Mark with us. - Mary Linda Ventura (SASSLC)

“ It was a pleasure to know Mark for 25 years. He could brighten a room! He participated regularly in chapel services as we awaited visits from his brother. I have a feeling when he entered Eternity, Heaven became a little brighter. -- Chaplain Bobby Hendricks
