“ Our Sincerest Condolences going out to all of the Martinez family and friends. He will always be remembered as a very loving and caring man. My family appreciated everything he did for us. He will truly be missed by us all. Here he visited with my husband who was very ill at the time. He brought Adam my husband a candle and some holy water when he and Sandy came to see us at the Hospital. We will always cherish the thoughtfulness from this man and his family. May he rest in eternal peace to be with our Lord.
