“ *What a legacy Mark leaves for all of us! A great Buddhist example to emulate! He exuded love and happiness from each pore of his body! So happy and privileged to have shared with him time on this earth, with Joanne and his family. His light will shine in whatever part of the Universe he is now. His memory will last forever in our hearts.*

“ *Mark was always the happiest person I ever met and he so enjoyed making everyone else happy too! He was a joy to know and would literally do anything for you. He had a beautiful life with Joanne and their children and well lived. He had a great time while he was here and I am so glad I had the privilege of knowing him and calling him friend. Soar amongst the highest and rest easy now. Will always remember you smiling and reflect on all the good times. Prayers of comfort and peace for his family and all who knew him.*
