

## Marlene R. Hartman

September 14, 1938 - April 28, 2026

Marlene R. Hartman was born on September 14, 1938. She passed away peacefully on April 28, 2026. She is preceded in death by her parents, Mr. and Mrs. Lola McDonald, her husband, Sam Hartman, her daughter, Terri Hartman, and her granddaughters, Marissa Hartman and Jessica Hartman. She is survived by her granddaughter and family, Kristen, Matthew, Emaleigh, and Asher Bueche. Marlene had a very successful 30 year career with the City of San Antonio working in the budget office. She was an avid traveler. Marlene loved taking cruises and traveling around in her RV with her husband, family, and friends. She had the wittiest sense of humor. She had a passion for life and wanted to live to be 150. She was many wonderful things but what she should be remembered by most is her selflessness. There were several times in her life when she made significant sacrifices to care for those she loved. She cared for her father, her mother, and her daughter who all struggled with health issues. She became the second parent to her three granddaughters. Though she did not make it to 150, the impact that she had on those around her will last far longer than that.
