

Marsha L. Dermont

March 22, 1961 - May 1, 2025

Marsha Dermont was born March 22nd, 1961, to Edward and Lois McDonald in Ruislip England. She went to be with the Lord on May 1, 2025. She is preceded in death by her husband Guy Dermont, her father Edward McDonald, and her brother Kenneth McDonald. She is survived by her mother Lois McDonald; her three sons Stanley, Aaron, and Jason; her long-time partner Cam; her sister Michele Hensley and husband Ed; her brother Kevin McDonald and wife Leah; her sister-in-law Cathy McDonald (wife of the late Kenneth); her grandchildren Kiersten, Luke, Corbyn, Timothy, Logan, and Faye; and her great-grandchild River.

Marsha excelled in her 30-year career as a highly respected Financial Analyst with the Department of Defense, retiring from Brooke Army Medical Center. Known for her incredible strength – second only, perhaps, to her mother Lois – Marsha was fiercely independent and strong-willed. Once her mind was made up, there was no changing it, and she wouldn't hesitate to tell you exactly how things were; her sons fondly remember her as the only one who could keep their dad in line. Among her 3 sons' fondest memories are their unforgettable adventures: trips to the lake, visits to the coast to see their Aunt Terry and Uncle David, and a particular favorite, visiting the swimming hole in Pipe Creek, especially during the legendary 'September Party'. She enjoyed watching friends play disc golf and simply being by a river, lake, or coast. In recent years, 'The Ranch' with her partner Cam became her cherished

sanctuary – if her phone went to voicemail, family and friends knew that's where she'd be, enjoying the peace and company of her closest friends. Marsha's life and memory will be lovingly celebrated by her family, colleagues, and the many friends whose lives she touched.

Services will be held on Saturday May 10th, 2025, at the Fred J. Tips Mausoleum located at Mission Burial Park North. Visitation will begin at 11 A.M. with a 12:00 P.M. Funeral service and committal to follow. Please donate to the American Cancer Society in lieu of flowers.

“ So sorry to miss Marshas services! Want to give condolences to all the family. I love her and all of you too. We were all family, Farkle family at least, and even by marriage a little more! I had such fun with all of you in my youth and will never forget some of those times! Thank You for all those great memories! Merlin 🙏

“ By walk with Marsha started in 2011 at BAMC RMD. She was a willful, direct, knowledgeable person with an open ear I can hear her still jokingly saying "Pam are you still on that soapbox of yours".

Gone but not forgotten. 🙏

“ I’ve known Marsha all my life. In fact, she was my first best friend. We met shortly before 1st grade (we were in the same class), and remained lifelong friends. Along with Carla, we liked to refer to ourselves as ‘the three musketeers’ and we had lots of exciting adventures together. There are so many stories I could tell, but the one thing Marsha and I giggled about the most as adults was the lunch box fight we had in the 2nd grade. Neither of us could remember how it started, but the important thing is that we hugged and made up and never fought again. What a wonderful person and friend she was! I loved her so much and will miss her greatly. My sincere condolences to her family and to all who knew and loved her.

Marsha was like a mom to me when I was just a tiny baby myself and rocked little Jason in his wooden cradle as a small child. She made me my favorite monkey bread and was always there to talk as an adult. When we visited them for almost three weeks in Germany she showed us the best places! We went to Austria where they filmed the sound of music and went on a boat ride in an underground salt mine. She brought us the best food and we even drove to France just to say we went..we went to castles and Luxembourg. She was so kind. Later in my life she took me under her roof and helped me. I wouldn't be here without my Aunt Marsha. I kept her last voicemail to me and will cherish her raspy voice that always comforted and offered me love and support. You were our family and I pray you hold my sister and grandma in a huge hug in heaven. God bless to everyone who lost her too soon. We are praying for the entire family to find peace and know she lived life almost. two of them ,to the fullest. I will miss our talks and love and think of you often! I'm so sorry for you loss and that her grandkids won't have more time with her, Love jemmy Jeremy and our little miracle Willow. Love makes a family not blood!
